

WHY INTUITIVE COULD FIND YOU THE PERFECT INTERIM ROLE?

Are you the sort of person who thrives on new challenges and thinks a change is always as good as a rest?

Then a career as an interim executive could be just what you're looking for.

At Intuitive, we have extensive experience in helping talented, dynamic candidates find the ideal interim role in the public transport sector.

If you're on the lookout for a new challenge as an interim executive, here's why you should consider working with Intuitive:

We'll handle the process for you, including job searches, setting up interviews and collecting feedback. This saves you unnecessary hassle and allows you to concentrate on your delivering for the client.

Our team is here to support you as you plan your next career move. Once you let us know you're ready, we can begin **exploring new opportunities about six to eight weeks before your current contract ends**. This way, we aim to help you transition smoothly, without the stress of a last-minute job search.

Intuitive proactively markets candidates to potential clients, introducing you to potential employers and matching you quickly to roles that suit your skillset and experience.

We **work with the leading organisations in the transport sector**, which allows us to match forward-thinking employers with like-minded interim candidates.

We provide **expert advice on IR35 compliance**, so that you know what HMRC will expect of you.
