

HOW INTUITIVE CAN HELP YOU FIND THE RIGHT INTERIM TALENT

Are you on the hunt for talented interim leadership candidates?

If so, Intuitive is here to help – and we can connect you to a diverse pool of interim executives.

At Intuitive, we have extensive experience of helping employers in the public transport sector – rail, light rail, bus and coach – find leadership talent, whether on an interim or permanent basis.

Here are just some of the reasons why you should consider working with Intuitive:

We'll search through our **community of candidates** to find people with the right experience and skillset – saving you time and effort, and helping you find the right candidate sooner.

Our **in-depth knowledge of the UK transport sector** means we have an excellent understanding of the challenges faced by employers in the industry. That's why we can ensure that our interim management candidates have the skills, knowledge and experience to deliver real value for our clients.

We have a **long-established track record of successfully placing interim leaders** in executive roles throughout the public transport industry

Our pool of candidates includes people from **inside and outside the transport sector** – giving you a crucial advantage when looking for dynamic leadership talent.

From the initial search to post-placement, we provide **ongoing support** to ensure a smooth transition for both employer and employee.
